INTRODUCTION

CMC Central Medical is a subsidiary of the Modern Medical Development Group in the Arabian Gulf region, with over ten years of experience in medical equipment, devices, and supplies. It was established under Egyptian investment law with a capital of 10 million Egyptian pounds.

Our vision is about finding the right partner to join along the way, where we believe that there is no other team more capable and committed than ours.

- Having a strong network of relationships inside the market.
- Having a distinguished quick action through strong logistics and professional team.
- Representant to some of the most potential and innovative international manufactures.
- Having branches in the UAE, Saudi Arabia Oman, Qatar, Bahrain and Canada.
